

## GOLF TOURNAMENT RULES

### Best Ball Scramble

- Each player tees off. The team picks the best drive, marks the spot and all players hit from that spot. The ball may be set up to 1 club length from the marked spot, but **NO CLOSER TO THE HOLE**.
- This format is followed until the ball is holed.
- **Each player must contribute 2 drives out of the 18 holes.**
- Bogey is the maximum score. If your team misses the par putt, pick up the ball, add a stroke, and move to the next hole.
- If the team has only 3 players, 1 player may hit in place of the 4<sup>th</sup> player. The team must rotate which player takes the 4<sup>th</sup> player's role

### Tee Box

- Men 70+ & Women: hit from red tees
- Men 55 – 69: hit from yellow tees

### Mulligans: Limit 4/team

- 1 Mulligan allows 1 golfer a do-over
- Cannot be used on the green
- May not be used to win the longest drive, closest to the pin or hole-in-one contests

- BEFORE a stroke, team can use 1, 2, 3 or 4 sections to remove the ball from a hazard or to putt the ball into the cup
